

roll call

Lung Cheung Government Secondary School

We try to make an extra special effort to make our Form One students feel welcome when

they come to our school.

One of the ways we have tried to do this is by holding an event called the "Week of Welcome". There are group activities, special tutorials, and even a performance by our school's music band.

During this year's Welcome Week, we had an English Fun Day, where all the students came to the school hall to take part in educational English games and activities.

We all enjoyed English Fun Day

To wrap up the week, we took the new students to the Arts and Technology Education Centre, where they got to make some delicious desserts. It was great to see so many happy and smiling faces as they ate the fruits of their labours.
